5 February 2009

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Warriors in Transition (WIT) Support and Services

1. Background: Support to wounded Soldiers is of the utmost concern to our Nation and our Army. As one of many initiatives under the Army Medical Action Plan approved by HQDA, the Installation Management Command (IMCOM) was directed to establish Soldier and Family Assistance Centers (SFAC) to provide critical support services to WIT and their Families. The intent is to provide first-class, priority services in a Family-friendly setting. An SFAC has been established at Fort Lee and is located at 3001 C Avenue, Bldg. 8039.
2. Policy: Effective immediately all Soldiers who are assigned to the Warrior Transition Unit (WTU) and their Families have priority for all services and appointments at all facilities on Fort Lee.
3. This policy supersedes Fort Lee Policy No. 5-07, 23 Aug 07.
4. The proponent for this policy is DFMWR Army Community Service SFAC, 734-6431.
